## OUR COMMITMENT TO SAFEGUARDING CHILDREN AND YOUNG PEOPLE

### **ST. MICHAEL'S GOLF CLUB - STATEMENT OF COMMITMENT**

- We have a zero-tolerance approach to any form of child abuse (including unsafe practices) and commit to ensuring that golf at **St. Michael's Golf Club** is a safe and friendly environment for children and young people. It is imperative that children and young people who access our activities, programs, events, or services feel safe and supported.
- We will adopt and implement the ten (10) Child Safe Standards (Child Safe Standards) and embed child-safe practices in our culture, organization, leadership, and work. Everyone, from members, staff, volunteers, parents, carers, and organizations we work with, has a role and responsibility to ensure the safety and well-being of children and young people at **St. Michael's Golf Club**.
- We commit to making sure that everyone involved with delivering golf services—from staff, members, volunteers, parents, and participants—understands and is equipped to implement the important responsibilities they have in relation to child safety.
- We will ensure compliance with State and Commonwealth legislative requirements. We will adopt a risk management approach to identify potential risks and establish appropriate mitigation strategies to inform planning and decision-making.
- Together, we can provide an environment in which children and young people feel respected, valued, and encouraged to reach their full potential. We will be responsive to feedback from children, young people, and their families and will handle complaints with sensitivity and confidentiality.
